

Huggins Insurance Services, in partnership with Bliss Sequoia Insurance are seeking a full-time Commercial Lines Insurance Account Manager to join our growing team.

If you want to be a part of a growing independent insurance agency in the Pacific Northwest, join us! We are proud to have a culture of professionalism, team work, and a fun work environment that allows you to learn, grow, and more importantly enjoy what you do. Our ideal candidate must provide superior service to our clients by promptly responding to their inquiries and addressing their individual needs and preferences. Position is in office, remote or hybrid.

We are thankful not be part of "Corporate America". Unlike "Corporate America", we do not make decisions solely based on revenues. Rather, as a locally owned independent agency we operate with our employees and clients coming first and foremost. We believe our employees are our greatest asset. With that in mind, we have an open-door policy, friendly atmosphere and have fun!

Commercial Lines Insurance Account Manager Responsibilities Include:

- Support sales staff in new business generation
- Contribute with assessing the needs of our current and prospective clients
- Complete ACORD applications and bind coverage
- Select the most appropriate carrier that matches our client's needs
- Insurance company *on-line* rating
- Policy review and delivery
- Policy Billing
- Service the needs of clients with claims, changes, answering coverage questions, and developing a positive working relationship with your assigned clients
